Our History:

In 1968, our Society was set up with a charitable designation because our founders knew that donations would be required to support our mission of offering seniors a Christian environment where that is safe and comfortable so they can live in dignity.

Our Mission:

In 2025 we opened Lighthouse, and with two facilities we can now offer close to 300 suites to independent seniors here in Edmonton. This is a significant undertaking, especially in today's economic climate and the limited government funding available to Christian organizations.

Please consider supporting our mission in any of the following ways:

Prayer Requests

Pray to our Heavenly Father for His continued blessing on the work of Emmanuel Seniors Living Society. We invite you to join us in lifting up our residents, staff, and community in prayer. We pray for residents in hospital, wisdom for our government leaders, and new residents at Lighthouse. Together, through prayer, we seek God's guidance, provision, and peace in all we do.

Reduce Your Rent!

For Lighthouse and Emmanuel Home residents, ask about our Rent Reduction Program!
