Friendship Tea

Residents from Emmanuel Home & Lighthouse came together for their second Friendship Tea! Thank you to all the residents, volunteers, and staff for another beautiful gathering that strengthens our growing community!

Message from the CEO

It is so hard to believe that my first full year as CEO is now over and what a year it's been! Officially opening Lighthouse on February 1st and welcoming our first residents was a major highlight. Later in the year, a huge crowd of residents, families, members, Board, partners, supporters and even government officials joined us for the Grand Opening on September 25, 2025. It was heartwarming to see so much excitement for this vision becoming a reality. Guests enjoyed exploring the beautiful space and heard all about the vision behind Lighthouse and the community it represents. A highlight of the day was the official ribbon cutting and presentation of our commemorative plaque, marking this exciting new chapter. My thanks to everyone who made this day possible, and who continue to support our organization. Excited to see what's ahead.

Celebrating Mary and Maria!

We'd like to recognize and celebrate Mary (40 years) and Maria (25 years) for their long term service with Emmanuel Seniors Living Society! Both of these women have made an impact for many years. Mary was an HCA for many years with the Healthcare team, while Maria started out in Housekeeping, moved to Reception and now is our Activity and Wellness Coordinator. Thank you for your hard work and contributions, Mary and Maria!
