ELIM'S NEW MISSION STATEMENTS

# STORY PITCH

Life for older adults can be more difficult than you might think. Loneliness, uncertainty about the future, or the burden of care giving can, negatively impact their well-being.

At ELIM, with the Christian faith as our foundation (James 2:16-17), we blend a variety of housing options and wellness and care services, to support and connect older adults.

The result is an exceptional community where older adults feel honoured, respected and assured. A place where they are free to focus on the things that matter most, to them.

# MISSION

When older adults are not supported and connected their quality of life suffers

**At ELIM, we bring the best in housing, wellness, and care together to deliver an exceptional aging in place experience for older adults,**

because everyone deserves to feel the embrace of a caring Christian community
